O R D E R:

Andhra Pradesh had taken a leadership position in e-Governance and Information Technology. Consequent on the re-organization of the State, Government of Andhra Pradesh has developed a blueprint "Re-Imagining Andhra Pradesh – role of e-Governance, Electronics and IT" for development of ICT Industry in the State. As part of blue print the Andhra Pradesh State Enterprise Architecture (APSEA) was taken up by ITE&C department which aims to be a lever for transformational change in the way government services are conceived, designed, delivered and consumed. The Vision of the State of Andhra Pradesh is to use e-Governance as a tool to provide integrated services to its citizens through a free flow of information, and to usher in an era of good governance. The APSEA is an essential first step in the direction.

2. For this purpose, the State Government proposes to capture of accurate and timely data at field level by various developmental departments occupies a pivotal place. Provision of connected Tablet PCs is key to operational success of the APSEA. Hence Government of Andhra Pradesh proposed to issue the Tablet PCs up to village level officers.

3. M/s AP Technology Services Ltd. (APTS Ltd), the nodal agency was requested for procurement of Tablet PCs of different screen size along with accessories and accordingly M/s APTS Ltd supplied the Tablet PCs to field functionaries of various departments.

4. Vide reference 1st read above, a status report on the procurement and distribution of Tablet PCs was submitted to Council of Ministers in the meeting held on 04.07.2015.
